A FAIR AND OPEN BATTLE

'*A Fair and Open Battle*' is the rescheduled book version of Paul Burton's award winning *Slingshot* series, and will be published in the spring. **This new book will be pre-released free to all 2010 Society of Ancients members who have subscribed by February 1st.** Limited stocks are thereafter expected to go on general sale at **£6.50** including postage.

The battles featured are Bagradas, Munda, the crossing of the Medway, Mons Graupius, Chalons, Tadi-nae, Nicopolis and Tewkesbury – each supported by narratives, maps, and thumbnail biographies of the commanders, as well as original illustrations and the comprehensive collection of Army Lists.

A wargamer's tour through this illuminating series of clashes from the Romans to The Wars of the Roses, '*A Fair and Open Battle*' was originally written with lists for *DBM* and *Warhammer Ancient Battles*. Now an illustrated 24 page A4 booklet, in a new departure, this updated version will come with a bonus CD which extends the games coverage to include *Field of Glory*, *Armati*, Neil Thomas's *Ancient and Medieval Wargaming*, etc.

£20 brings 6 issues of *Slingshot* in addition to the bonus publication, and access to the wide range of member services, invitations and discounts. Using this form or *Paypal* on the website, joining up couldn't be easier.
